

On behalf of the PTSO, I would like to welcome our new and returning students and their families to our school. I am Stephanie Ramsey, the returning PTSO President for the 2010 – 2011 school year. My son Samuel is a third year student at MEC.

The PTSO is a partnership between parents, teachers, and students. The purpose is to bring together parents, teachers, the college liaison, and students to facilitate a welcoming environment that challenges every student to grow, learn, and pursue academic excellence. Our combined commitment to our school is apparent in the activities and events the PTSO provides each year.

This year, our objective is to enhance the communication between the school, parents, and students as well as promote our school, its activities, and our students.

I encourage each of you to be involved with the PTSO. It's a great way to get to know the school, the staff, and the students. There are many opportunities for you to volunteer and make a difference in the lives of our students and our school.

Stay connected by visiting our website, reading our on-line newsletter, attending our PTSO General Meetings, and by becoming a fan of our Facebook page.

I anticipate another excellent year at Macon Early College and look forward to working with you. If you have any questions, please contact me by email at [seramseyjr@msn.com](mailto:seramseyjr@msn.com) or call 828.421.5276.

Respectfully,  
Stephanie Ramsey – MEC PTSO President
