

**Unitedstreaming.com**

**LOG IN**

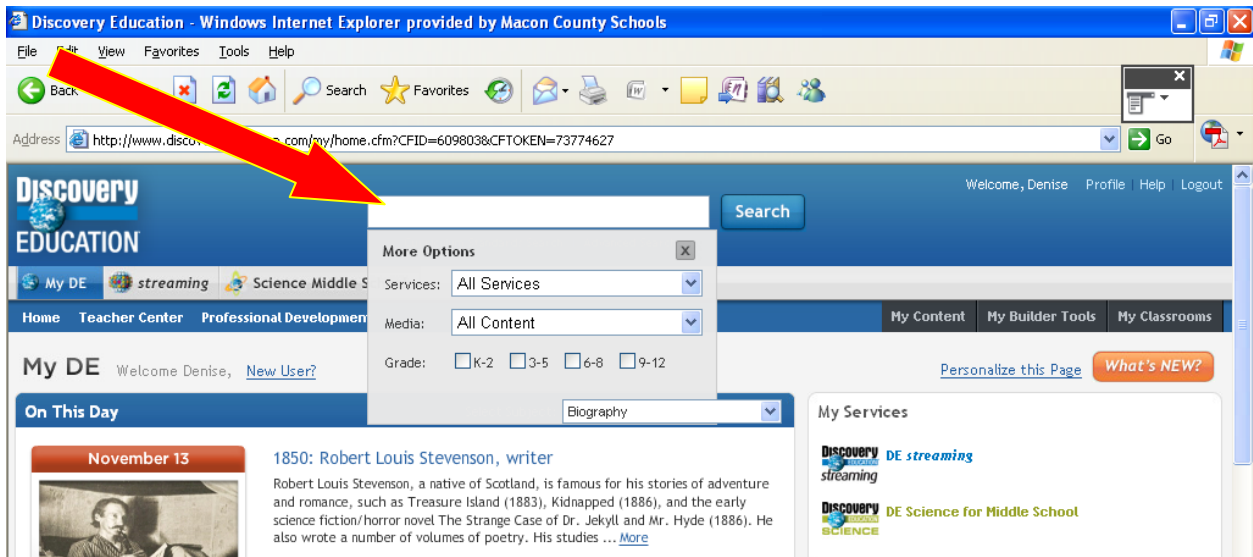

**School Log-IN – DBFC-CB47 – Log in under the “Passcode/New User” tab.**

**You will immediately be prompted to create an account. Go ahead and do that. We suggest you use your login as firstname.lastname then use the same password as your email – that way you won't forget.**

**Next time you log-in, you use your new information under “Subscriber Login” tab.**

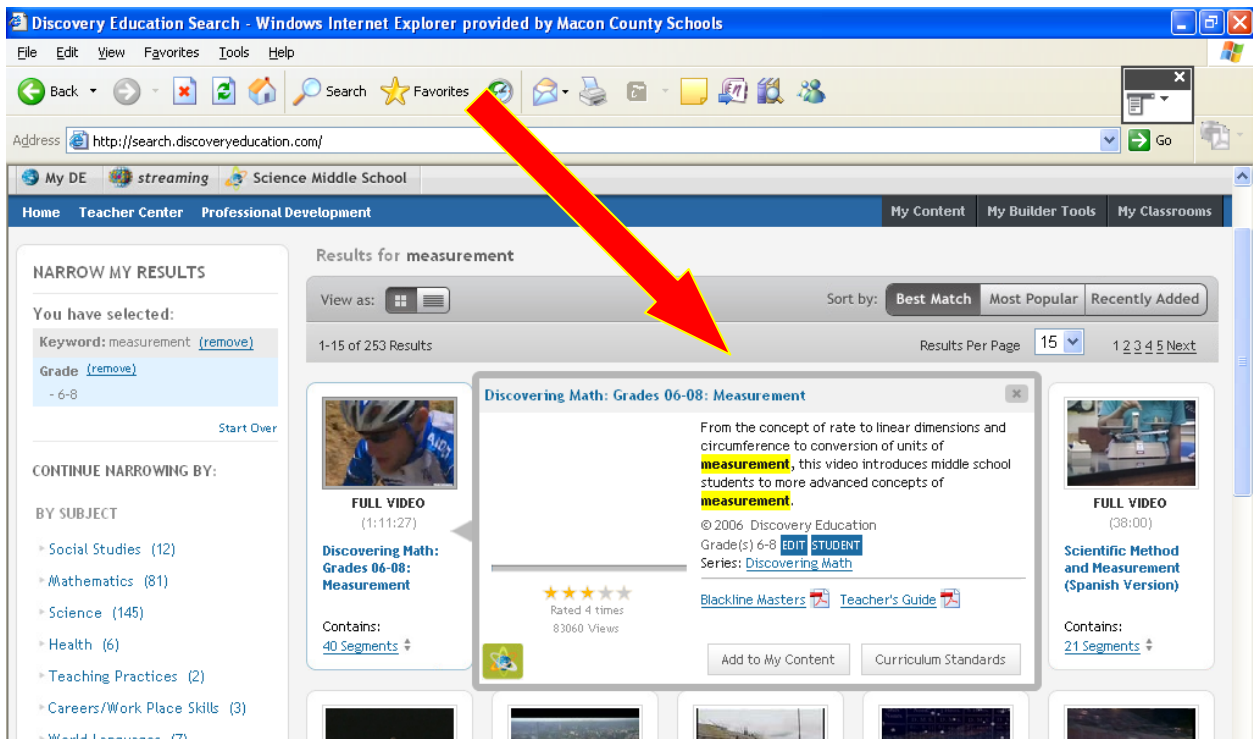

# SEARCH

Type a topic into the search window.

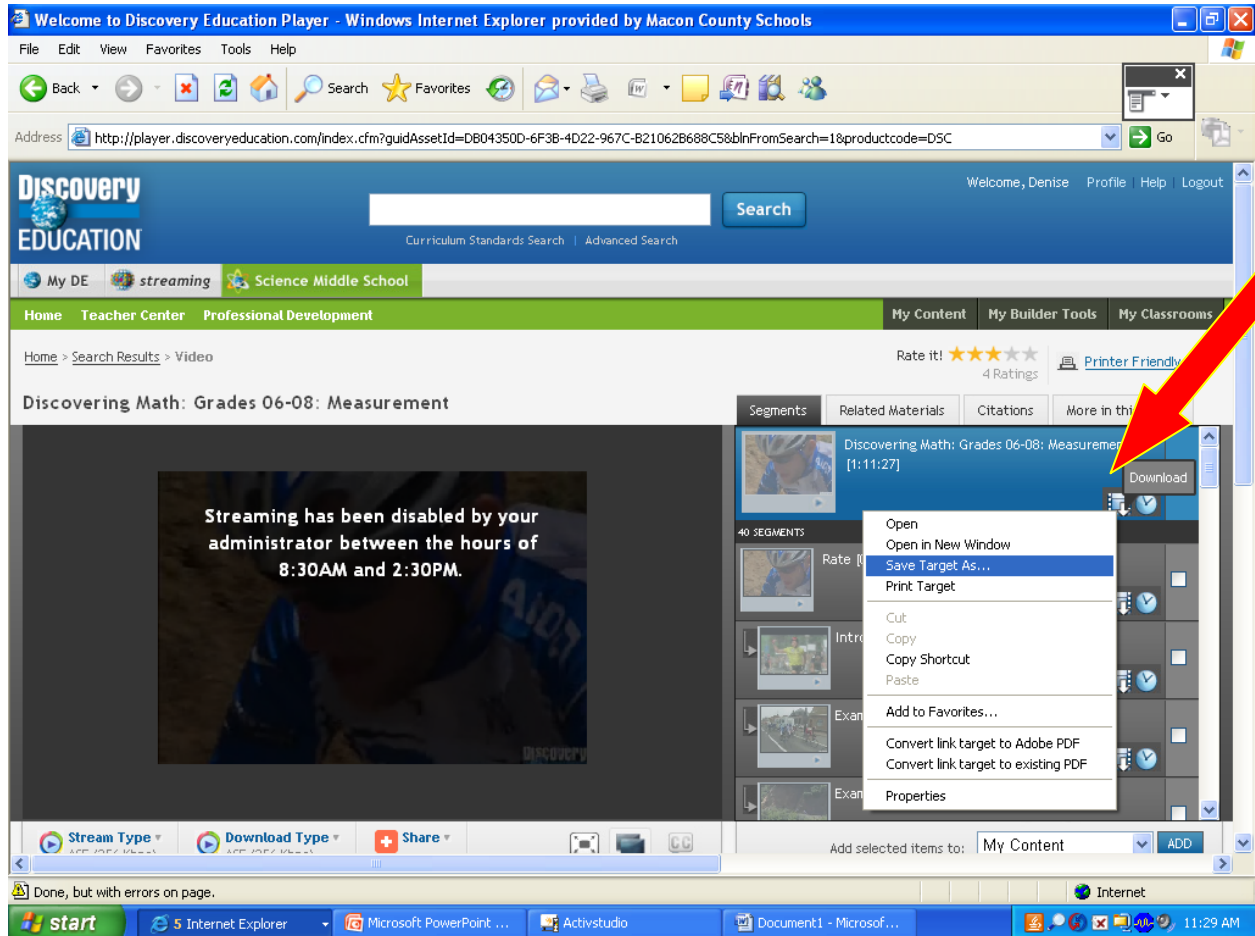

You can look at different types of media by using the pull-down menus.

You can also pick the grade level by checking the box.

Scrolling over the results will provide automatic pop-ups telling you more information about the individual resources.

## DOWNLOADING

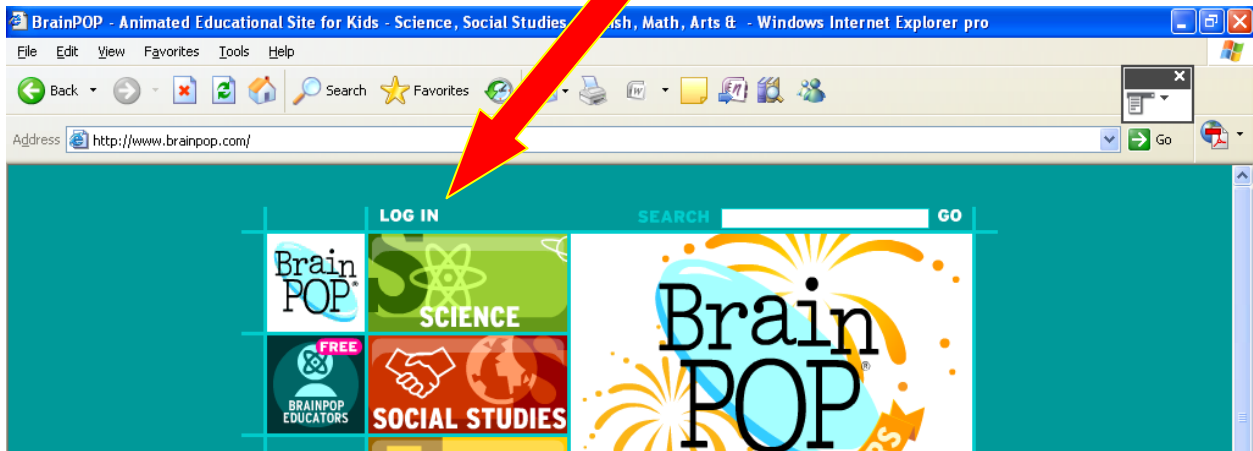

**\*\*RIGHT CLICK** your mouse on the little filmstrip icon as shown. Select **Save Target As...**

After transferring some information, you will be prompted to **“Save As...”**

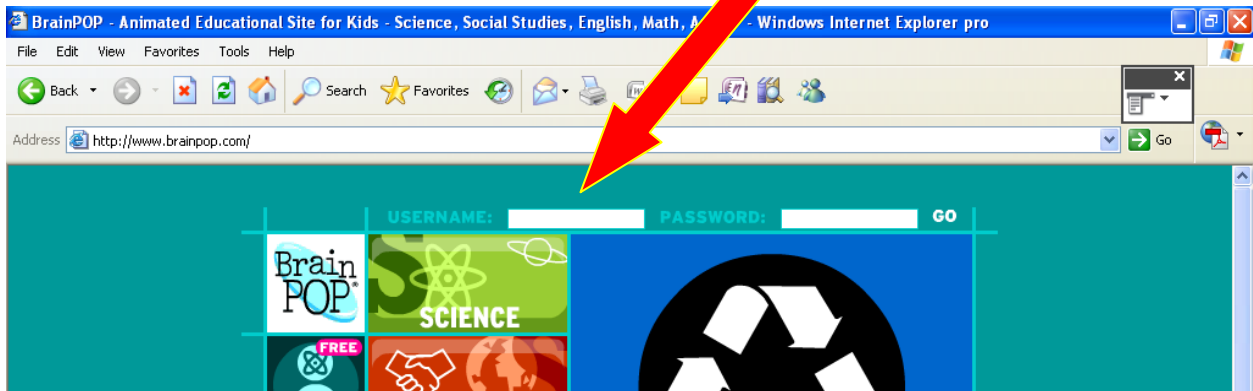

**INSERT PRINT SCREEN HERE>>>>>>>>showing the “save as dialog box”**

In order to conserve space on your computer, you should save your movie to a thumbdrive. You can also save the support materials with the movie so you won't have to print the entire movie guide.

## BRAINPOP

Click on “Log In”

Username: macon1

Password: brainpop

Browse by Subject Area – then by Unit – then by Movie

Each movie is followed with a quiz.
